COMPANY OF KENTUCKY OF AN ADJUST-)	CASE NO. 8659
MENT IN ITS RATES)	

O R D E R

On November 4, 1982, Continental Telephone Company of Kentucky ("Continental"), by counsel, filed its Motion requesting an extension of time to and including November 24, 1982, within which to comply with the Commission's Order entered October 22, 1982. In support of its Motion, Continental states that it owns seven operating companies in the State of New York, all of which have just been merged into one company, and Continental Telephone Service Corporation is now preparing the first rate request for the merged company which requires a financial exhibit for each of the seven companies prior to merger plus a consolidated financial exhibit for the surviving company and this task when taken in conjunction with the four rate cases now pending in other states has overtaxed the service corporation's word processing equipment.

The Commission, having considered the Motion and being advised, HEREBY ORDERS that said Motion be and it hereby is sustained to the extent that the time in which Continental shall submit responses to the Commission's Order entered October 22, 1982, be and it hereby is extended to the close of business November 19, 1982.

IT IS FURTHER ORDERED That the Order of Procedure entered November 3, 1982, be and it hereby is modified to the extent that the Commission Staff shall have until six weeks subsequent to the filing of the application to submit its Second Request for Information to Continental and nine weeks subsequent to the filing of the application to submit Supplemental Requests for Information to Continental.
